OUR SPIEL...

Our burgers are made from the finest quality beef, pure breed Aberdeen Angus cattle, good enough for the Queen! They are served on soft brioche buns, with baby gem lettuce, tomato, red onion and pickle. Our chips are hand cut daily, of the Agria variety - the king of crisping potatoes, they fluff up like no other spud!

* Burgers cooked medium carry a higher risk of food poisoning. Unlike a steak, a burger needs to be cooked through to reduce that risk. The Food Standards Agency recommends that children, pregnant women and anyone with a weaker immune system have their burgers well done. Please ask us for more information.
