Enjoy in venue, or made to order in the sky!

£5.50

Marshfield Farm have been making ice cream on their fully sustainable organic family farm in the rolling Cotswold hills for over 30 years. The dairy ice cream they produce is multi award-winning and made entirely with milk from their herd of 250 dairy cows who are fed with food grown on the same farm. In our opinion it is the best ice cream you can get and we scoop it into every one of our sundaes and milkshakes. Enjoy!
