Please make the team aware of any allergies; up to date allergy information is available upon request; we handle all allergens on site, as we prepare and package all dishes and products freshly we cannot guarantee the total absence of allergens in our dishes or products. All our snack pots are packaged in an area where nuts and other known allergens may be present. Please note we take caution to prevent cross-contamination, however, any product may contain traces as all snacks are packaged in the same environment. Burgers cooked medium carry a higher risk of food poisoning. Unlike a steak, a burger needs to be cooked through to reduce that risk. The Food Standards Agency recommends that children, pregnant women and anyone with a weaker immune system have their burgers well done. Please ask us for more information.
